

The large master bedroom is an ideal  
 study or office space. The master  
 bedroom is located at the rear of the  
 house, offering privacy and a view of  
 the outdoors. The master bedroom  
 features a large bed, a desk, and a  
 chair. The master bedroom is  
 connected to the master bathroom  
 which includes a free standing tub,  
 a separate shower, and a double  
 vanity. The master bedroom also  
 has a large wardrobe for clothing.  
 The great room is a large open  
 concept living area with a wood  
 burning fireplace, a large area  
 rug, and a view of the outdoors.  
 The kitchen is a large kitchen  
 with a granite countertop, a large  
 island, and a view of the outdoors.  
 The dining room is a large dining  
 room with a wood dining table and  
 chairs. The dining room is  
 connected to the kitchen and the  
 great room. The dining room is  
 a great place for a meal or a  
 gathering. The dining room is  
 a great place for a meal or a  
 gathering. The dining room is  
 a great place for a meal or a  
 gathering.
